CORRESPONDENCE:
Fundraising
Smart Fundraisers – Father Day Catalogue
Kids Artworks – Children’s Calendars

Other
Commonwealth Bank – Offer to subscribe to Our Community’s Funding Centre. 12 month subscription complimentary

New P&C Federation – Nominations for Delegates & Board Members

FUNDRAISING REPORT:
Entertainment Books – Raised $1606.00 with 146 books sold. 8 still outstanding

Raffle – Decided to do a raffle during Book Parade with one of the Coffee Machines that OOSH donated as the prize. Louise to organise raffle tickets and put a note in the newsletter

Father’s Day Stall – Going to purchase gifts this year rather that ask for donations. Amanda to arrange to order gifts. Date – Friday 5th September. Note to go out in due course.

PRINCIPAL’S REPORT:
School planning cycle is starting now for the next 3 years. Lorraine spoke of a number of areas that will be they will be focusing on.

Mr McMullen was the successful applicant for the permanent teachers position.

50/50 Joint Funding Grant has been successful. The project that was applied for was to resurface the tarmac behind the Infant’s building. Lorraine was to go and have a look at Thirroul PS to look at what they have as it is similar to what we would like to do.

Engineers will be coming is to have a look at the hill as there has been a great deal of erosion for the rain that we had earlier in the year.

There will be should be a demountable classroom next year as it is likely to have an additional class next year with approx. 70 kindys enrolled for next year. It is likely for the school to continue to grow each year with studies see the likelihood of 25-26 classes by 2018.

TRAFFIC MANAGEMENT COMMITTEE:

The trees out the front of the school have had the guards removed and trees have been cut back. This seems to have made a great deal of difference and we will leave cutting the trees down for the time being.

Bus Route – Rebecca has not been able to look into this as yet.

We talked about maybe asking the RMS for a traffic island on Nicholson Road to make it easier to cross this road.

School has applied to have the NRMA Road Safety Science School come to the school.

CANTEEN REPORT:

Jobs have been broken down into 10 positions with description for new team. This will be in the newsletter.

Current team will be stepping down at the end of term regardless. So if no new team is found, the canteen will close.

Ongoing issue with emergency lunch orders for forgotten lunches. Louise to put a reminder in the newsletter.

UNIFORM SHOP:

School may need to take back the space within the next couple of years due to shortage of space within the school.

GENERAL BUSINESS:

P&C has agreed to affiliate with the new P&C Federation.

Look at long term planning with maybe a 2 year plan for next meeting.

MEETING CLOSED: 8.00pm

NEXT MEETING: Wednesday 13th August 2014 at 6.30pm
