WOONONA PUBLIC SCHOOL P&C MEETING

WEDNESDAY 12 NOVEMBER 2014

PRESENT:

APOLOGIES:
Wayan Steele, Troy McNeice

MINUTES ACCEPTED FROM PREVIOUS MEETING:
Louise Southall, Rebecca Cusack

TRESURER’S REPORT

Bank Balances as at 31 October 2014:

- Canteen Account $16,165.48
- Uniform Account $17,597.59
- General Account $12,433.00

Approx $4,000 in general account for Year 6 committee.

In the last financial year (1.10.13-30.09.14), we have received approx. $4,000 in donations and $450 in Bank Commission.

We have donated $31,000 back to the school in the same period. Lisa will write a report for the last newsletter of the year advising what we have purchased.

The Portrait Gallery
Ryan Park – Gonski Report Update
Signature Engraving – Pavers
Safe Flame – LED Candles Fundraiser
World Vision Gifts Catalogue

General
Commonwealth Bank Grants Newsletter
FUNDRAISING REPORT:

Bunnings BBQ - Raised $1,500. Approx $300 up on last year. Great effort

Christmas Carol Raffle to going ahead due to the Carols being cancelled and there is no other day suitable to have it before the end of the year

Bec bought a different idea for a fundraising next year - spice packets. Something to think about for next year.

Also look at cookie dough fundraiser. The Year 6 committee raised $960 from this fundraiser.

Fete - Look at same time as last year (Aug/Sept). Check with rides guys to see what dates are available around this time. Alison to check when the regional athletics are as they coincided last time.

Mother’s Day - Even though a while away, it was agreed that we would pre-purchase the gifts next year

PRINCIPAL’S REPORT:

Quote for Basketball Court hasn’t come in. Lorraine to follow this up.

Mr Neild is leaving to go to Shell Cove in a Deputy Principal position

Definitely one extra class for next year maybe 2.

Next year with the number of students at the school, a full school assembly will probably not happen. Look at splitting it into Early Stage 1 and Stage 1 and then Stage 2&3.

Bus Survey - 16 responses received

CANTEEN REPORT:

Shelves to be put up by Eric (School’s GA). Louise to meet with him to work out where they need to go.

Coffee Machine is to be returned. There is some out of date coffee pods that are unable to be returned. Put a call out to see if anyone in the school community wants to purchase them.

UNIFORM SHOP:

The uniform shop will be moved the canteen building prior to end of year.

Kindy Orientation - Orders collected not as many as last year.

STRATEGIC PLANNING:

Bec went through the feedback to the Strategic Plan and summarised the key points

YEAR 6 COMMITTEE

There was a question raised as to where the money that the Year 6 committee raises should go - the schools or P&C. Previously it has been put into the schools account however the Year 6 committee is an extension of the P&C it really should go into the P&C account.
Year 6 committee also needs to have a representative at the P&C Meeting.

Guidelines need to be produced to assist with the new committee each year.

GENERAL BUSINESS:

Christmas Carols have been cancelled for various reasons - The Church is unable to help us with it this year and also the construction going on in the area. Louise expressed her disappointment that the P&C was not consulted before it was cancelled. It's not feasible to arrange an alternative concert in the timeframe that we have. We need identity what we can do to make it a school community event next year. In the meantime, advertise in the newsletter alternative venues where carols are being held in the area.

Need to look at standard operating procedure for functions so that jobs such as locking up the school don't continue to fall on Lorraine.

Soap in the toilets is still an issue.

Bec has donated 2 sets of shelving for from the Dept of Defence. To be put in the canteen/uniform shop area.

Kylie expressed her thanks for the flowers given to her in the passing of her partner John.

MEETING CLOSED: 8.00pm

NEXT MEETING: Wednesday 11\textsuperscript{th} February 2015 at 6.30pm
